

Required Documentation

All documents below should be copied and provided to Minute Men or Agent at origin.

Canadian citizens moving to the U.S. require:

- Passports, birth certificates and clear photo identification for each family member
- A work visa, immigrant visa and a I-94 Multiple Entry form. You must enter the U.S., have your visa stamped, and declare goods to follow before the driver can cross the border with your shipment
- Social Insurance number
- Completed 3299 (Free entry form), obtainable from Minute Men or it's representative.
- Letter from your employer indicating validity of transfer
- Copy of marriage certificate if spouse's family name differs

U.S citizens returning to the U.S. from Canada require:

- Passports, birth certificates and clear photo identification for each family member travelling with you
- Social Security Number
- Completed 3299 (Free Entry form), obtainable from Minute Men or it's Representative
- You must enter the U.S. and declare goods to follow before the driver can cross the border with your shipment

Moving a motor vehicle from Canada to the U.S.

- Completed HS-7 form (obtainable from Minute Men or it's agent)
- Completed Environmental Protection Agency form (obtainable from Minute Men or it's agent)
- Manufacture's letter stating that the vehicle meets all U.S. standards (obtainable from the vehicle manufacture)
- Copy of the registration
- Photocopy of U.S Bill of Sale (applicable to returning U.S. resident)
