

Minute Men **Moving & Storage**

March 23, 2020

COVID-19: UPDATE

The safety of our clients, staff and community are of the utmost importance. Effective immediately, Minute Men Moving & Storage has implemented the following practices to our Minute Men office locations.

Our offices will remain open by appointment only. Appointment hours are Monday thru Friday 9:00am to 4:00pm.

If you require a survey for an estimate to move, please call either of our office locations for assistance. To limit the exposure to both our staff and clients, we ask that survey be completed by telephone or using the app available on the first page of our website at www.minute-men.com.

If your move is booked with us and require moving supplies, boxes, packing paper, tape etc. Please call ahead to either of our offices and we will prepare your order for outside pick up. We will even put them in your vehicle, so you won't have to get out of your vehicle. If customers have travelled to an affected area region, been in close contact with someone who has travelled, or experienced close contact with someone showing signs of coronavirus, they should notify our office and we will discuss rescheduling options.

We understand this is a highly fluid and ever-changing situation. Our commitment to you is to keep you informed as circumstances change. Please check back here for ongoing updates.
